Dear Masters Swimmers and Supporters

Thankyou for your enquiry and please find enclosed our Tour Details and respective Costings etc.

Having completed 2 site inspection trips to Göteborg we are more than pleased with the accommodation we have selected for our group and in particular, their proximity to the main Valhalla Swimming Arena and Göteborg's main shopping centres and tourist attractions.

Naturally, there is quite a lot of information that has to be relayed and with the enclosed brochure and respective inserts (see below) we are reasonably confident that there have been "no stones left unturned !"

- **Events Schedule** ... the Lundby swim venue is 20 minutes by tram from the main Valhalla Swimming Arena
- **FAQ list** ... we are certain most of your immediate queries will be covered here !
- **Itinerary Planner** ... please note any alternative travel arrangements or travel extensions and our qualified staff will be happy to assist with bookings and quotations.
- **Booking Form** ... the "commitment to travel" – self explanatory and should passport details not be available please note TBA (to be advised)

The Mini Post Tour to Sweden's Capital City of Stockholm ... a beautiful city built on 14 archipelagos and is well worthy of a visit if time permits.

Please do not hesitate to give our office a call should you have any queries or require further assistance.

We hope you can join us !

Yours in Masters Swimming,
